Newington, CT 06131-7546

Dear Commissioner Redeker:

I am pleased to inform to you and the Scenic Roads Advisory Committee that the Westport Planning and Zoning Commission took the following action at its January 7, 2016 public meeting:

Upon the request of the petitioners of a citizen-led initiative seeking to preserve important natural and cultural Town features, the Westport Planning and Zoning Commission unanimously voted to support the October 27, 2015 application currently pending before the Scenic Roads Advisory Committee to designate an approximately 1.2 mile portion of State Route 136 in Westport as a State Scenic Highway.

Sincerely,

Chip Stephens, Chairman
Westport Planning and Zoning Commission
